

*"We would like to present you with  
this Clipper Flight Log."*

You'll find this little booklet to be a useful, silent secretary during your entire trip. It's small enough to fit in your pocket or purse. It contains places for all sorts of notations that you'll surely want to make . . . plus plenty of extra blank space. Take it along with the compliments of Pan American World Airways . . . and, a very good trip to you!
