250 AUTHORS

A Field Guide to Nebraska's Literary Voices

Click names in the PDF to open Nebraska Authors biographies. Nebraska Voices: 250 Authors celebrates writers connected to Nebraska whose work reflects the state's landscapes, history, communities, and imagination.

Curated by the Heritage Room of Nebraska Authors, this list features a diverse selection of authors across genres, from children's literature and poetry to memoir, mystery, romance, science fiction, and literary fiction. This is not an exhaustive or "best of" list, but an introduction to Nebraska's rich writing tradition and an invitation to discover new authors and stories.
